Carinya 240 x 185mm Black Lipped Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 240 x 185mm Black Lipped Angle Bracket is crafted from powder coated steel for enhanced durability and corrosion resistance. Designed to deliver reliable support in construction and maintenance projects, it offers precision engineered performance for professionals. This angle bracket provides secure and stable connections, simplifying installation processes while ensuring dependable results. Its high-quality build and thoughtful design address practical concerns for trade professionals seeking robust, efficient support elements.

Features

- Manufactured from powder coated steel ensures reliable performance
- Black finish provides a sleek professional appearance
- Engineered for precise and secure support
- Robust design suitable for demanding applications
- Dimensions 240 x 185 mm enable precise mounting
- Lipped edge design increases component stability and load distribution
- Precision manufacturing guarantees dependable fit and performance
- Quality craftsmanship delivers structural integrity and long term reliability

Product Code: B00201

Dimensions

Product Length (mm)	240
Product Width (mm)	184
Product Height (mm)	40
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	6.7

Weights

Load Capacity (kg)	50.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
