Carinya 150 x 125mm Raw Plywood Angle Bracket - 150 x 125mm

BRACKET DIMENSIONS

Description

Carinya 150 x 125mm Raw Plywood Angle Bracket - 150 x 125mm is a hardware component designed for creating secure right-angle connections. It is constructed from quality plywood in a raw finish, offering practical support in joinery and construction projects. The bracket is engineered for precise alignment and ease of assembly, providing reliable performance for trade professionals. Its robust design and clear construction details ensure efficient integration into various practical applications.

Features

- Crafted from durable plywood for robust support
- Precise 150 x 125mm dimensions ensure accurate fittings
- Raw finish offers an economical yet versatile appearance
- Engineered for stability and reliable load bearing
- Simple design promotes ease of installation and adjustments
- Precision manufacturing ensures consistent quality across batches
- Robust construction withstands everyday operational use
- Built with an emphasis on structural integrity

Product Code: B00220

Dimensions

Product Length (mm)	152
Product Width (mm)	125
Product Height (mm)	19
Product Thickness (mm)	15
Diameter of Fixing Holes (mm)	4.3

Appearance

Product Colour	Raw

Construction

Product Material 1	Plywood

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
