Carinya 150 x 130mm Varnished Bamboo Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 150 x 130mm Varnished Bamboo Stayed Bracket is a precision-engineered angle bracket constructed from quality bamboo with a smooth varnished finish. It is designed for providing reliable support and secure reinforcement in technical assemblies and trade operations. The bracket offers consistent load distribution and ease of installation, ensuring accuracy in structural applications. Built to exacting standards, it delivers dependable performance that meets the practical requirements of professional trade projects.

Features

- Constructed from natural bamboo with a durable varnish finish
- Designed as an angle bracket with stayed structural support
- Measures 150 x 130mm for precise fitting in applications
- Features pre-drilled holes for secure mounting
- Robust bracket design ensures stable support structure
- Lightweight build simplifies handling and precise installation
- Varnished finish enhances appearance and protects bamboo
- Engineered for durability and reliable load-bearing performance

Product Code: B00235

Dimensions

Product Length (mm)	150
Product Width (mm)	129
Product Height (mm)	20
Product Thickness (mm)	14
Diameter of Fixing Holes (mm)	5.1

Weights

Load Capacity (kg)	40.0

Appearance

Product Colour	Varnished

Construction

Product Material 1	Bamboo

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
