

Carinya 250 x 200mm Black Heavy Duty Twisted Stay Bracket

BRACKET DIMENSIONS

Description

Carinya 250 x 200mm Black Heavy Duty Twisted Stay Bracket is a robust steel bracket designed to provide secure support in various construction and assembly applications. Its precise engineering ensures reliable performance and stability when used in load-bearing structures. The bracket's design optimises practical reinforcements and facilitates efficient installation, giving trade professionals a practical solution to enhance durability and consistency in their projects.

Features

- Steel construction delivers strong structural support
- Twisted design enhances bracket rigidity and load distribution
- Dark finish offers visual consistency across installations
- Heavy duty bracket engineered for secure mounting
- Standard dimensions measure 250 x 200 mm
- Robust design enables secure installation and lasting stability
- Engineered for precise fitting within tight construction tolerances
- Black coating resists corrosion in challenging operational conditions

Product Code: B00284

Dimensions

Product Length (mm)	250
Product Width (mm)	200
Product Height (mm)	30
Product Thickness (mm)	3.8
Diameter of Fixing Holes (mm)	6.6

Weights

Load Capacity (kg)	300.0
--------------------	-------

Appearance

Product Colour	Black
----------------	-------

Construction

Product Material 1	Steel
--------------------	-------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
