

Product Code: B00284

Description

Carinya 250 x 200mm Black Heavy Duty Twisted Stay Bracket is a robust steel bracket designed to provide secure support in various construction and assembly applications. Its precise engineering ensures reliable performance and stability when used in load-bearing structures. The bracket's design optimises practical reinforcements and facilitates efficient installation, giving trade professionals a practical solution to enhance durability and consistency in their projects.

Features

- Steel construction delivers strong structural support
- Twisted design enhances bracket rigidity and load distribution
- Dark finish offers visual consistency across installations
- Heavy duty bracket engineered for secure mounting
- Standard dimensions measure 250 x 200 mm
- Robust design enables secure installation and lasting stability
- Engineered for precise fitting within tight construction tolerances
- Black coating resists corrosion in challenging operational conditions
