

Carinya 600 x 300mm Black Heavy Duty Twisted Stay Bracket

BRACKET DIMENSIONS

Description

Carinya 600 x 300mm Black Heavy Duty Twisted Stay Bracket is designed for precision-driven applications, offering a robust connection framework. Constructed from powder coated steel in black, this stayed bracket ensures durability and functionality, supporting structural stability in various setups. Developed by Carinya, it provides industrial and trade professionals with a reliable solution for practical applications, efficiently contributing to secure constructions and other technical installations without unnecessary embellishment.

Features

- Sturdy construction enhances bracket longevity
- High strength powder coated steel body
- Robust design supports secure load distribution
- Engineered for reliable and efficient bracket application
- Black finish provides sleek professional appearance
- Precision fabrication ensures straight and secure alignment
- Sized at 600 x 300mm for versatile installation
- Designed for easy installation and maintenance

Product Code: B00286

Dimensions

Product Length (mm)	600
Product Width (mm)	300
Product Height (mm)	40
Product Thickness (mm)	4.3
Diameter of Fixing Holes (mm)	6.5

Weights

Load Capacity (kg)	300.0
--------------------	-------

Appearance

Product Colour	Black
----------------	-------

Construction

Product Material 1	Powder Coated Steel
--------------------	---------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
