Carinya 285 x 210mm Black Exposed Triangle Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 285 x 210mm Black Exposed Triangle Stayed Bracket is manufactured from powder coated steel and designed to offer secure support for various structural applications. This bracket provides precise alignment and steadfast load distribution for accurate installations. Its engineered dimensions maintain stability and ensure a reliable fit in systems that demand consistent performance and technical accuracy for trade professionals.

Features

- Robust powder coated steel provides stability and longevity
- Black finish optimises aesthetic consistency in varied installations
- Exposed triangle design simplifies bracket alignment and fit
- Precise dimensions ease installation and equipment setup
- Engineered for clear load-bearing performance and strength
- Compact design offers efficient support for mounting structures
- Trusted Carinya quality ensures reliable bracket performance
- Optimised build supports secure bracket positioning and integration

Product Code: B00301

Dimensions

Product Length (mm)	295
Product Width (mm)	210
Product Height (mm)	29.5
Product Thickness (mm)	4
Diameter of Fixing Holes (mm)	5.3

Weights

Load Capacity (kg)	40.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
