

Carinya 240 x 190mm Black Heavy Duty Cast Aluminium Angle Bracket

BRACKET DIMENSIONS

Product Code: B00306

Description

Carinya 240 x 190mm Black Heavy Duty Cast Aluminium Angle Bracket is engineered for dependable connection and support in diverse projects. Crafted from cast aluminium and featuring a black finish, it provides a robust solution for assembly and construction tasks. Its precise dimensions offer optimal strength and facilitate ease of installation for trade professionals, ensuring reliable performance and lasting durability in various technical applications and systems.

Features

- Precision cast aluminium offers reliable load-bearing strength
- Heavy duty construction secures strong structural mounts
- Resistant black finish withstands visual wear in challenging settings
- Precise dimensions ensure accurate alignment during assembly
- Engineered for stability and strength in mounting applications
- Uniform cast provides even distribution of load-bearing strength
- Crafted from durable aluminium for long-lasting performance
- Simple installation design streamlines assembly processes
