

Carinya 340 x 290mm Black Heavy Duty Cast Aluminium Angle Bracket

BRACKET DIMENSIONS

Product Code: B00308

Description

Carinya 340 x 290mm Black Heavy Duty Cast Aluminium Angle Bracket. Manufactured from high-quality cast aluminium with a durable black finish, this angle bracket offers reliable structural support and accurate alignment for secure installations. Its precise dimensions and robust construction facilitate efficient assembly, making it a practical choice for professionals in technical and trade settings. The design ensures consistent load-bearing performance and straightforward integration into various technical applications.

Features

- Constructed from durable cast aluminium for robust support
- Precision dimensions 340 x 290 mm for exact fittings
- Attractive black finish provides corrosion resistance
- Facilitates easy mounting with precise machining
- Engineered for secure load capacity
- Reinforced design enhances connection stability
- Reliable performance via quality engineering
- Trusted Carinya craftsmanship ensures accurate bracket fabrication
