Carinya Chrome Curved Top Angle Handrail Bracket

BRACKET DIMENSIONS

Description

Carinya Chrome Curved Top Angle Handrail Bracket is constructed from chrome plated steel with a satin chrome finish. It provides a robust, curved support designed to offer secure handrail attachment and accurate alignment for professional applications. It is engineered for ease of installation and long-lasting performance, catering to the needs of industrial and trade professionals who require reliable and functional building components. Its design ensures consistent support and enhances overall structural integrity.

Features

- Constructed from robust chrome plated steel for enduring performance
- Satin chrome finish provides modern sleek appearance
- Curved top design integrates aesthetic with structural support
- Engineered for simple installation and secure handrail mounting
- Precision crafted components ensure reliable alignment and durability
- Designed for new installations and existing handrail upgrades
- Uncomplicated design promotes consistent performance throughout use
- Ideal for professionals needing straightforward quality handrail support

Product Code: B01052

Dimensions

Product Length (mm)	91
Product Width (mm)	91
Product Height (mm)	64
Product Thickness (mm)	2.4
Diameter of Fixing Holes (mm)	9

Appearance

Product Colour	Satin Chrome

Construction

Product Material 1	Chrome Plated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
