Carinya Chrome Flat Top Curved Handrail Bracket

Description

Carinya Chrome Flat Top Curved Handrail Bracket is precision-engineered from high-quality chrome plated steel to securely attach handrails. It is designed to provide a consistent and reliable support structure for a variety of handrail applications. Its flat top and curved design facilitate accurate fitting and alignment, ensuring a secure handrail system. Trade professionals value this product for its ease of installation and practical performance in creating safe, stable access features.

Features

- Robust chrome plated steel construction offers reliable strength
- Chrome finish provides durable low maintenance aesthetic
- Designed for flat top curved handrail compatibility
- Precision engineered for accurate alignment in installations
- Constructed to withstand repetitive operational loads
- Fixed installation bracket for straightforward mounting
- Simple design streamlines production and assembly
- Precision finish enhances appearance alongside modern architecture

Product Code: B01053

Dimensions

Product Length (mm)	90
Product Width (mm)	55
Product Height (mm)	45
Product Thickness (mm)	5.4
Diameter of Fixing Holes (mm)	4.5

Appearance

Product Colour	Chrome

Construction

Product Material 1	Chrome Plated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
