Carinya Black Nickel Flat Top Curved Handrail Bracket

BRACKET DIMENSIONS

Description

Carinya Black Nickel Flat Top Curved Handrail Bracket is a steel handrail bracket designed for secure support in various construction and maintenance applications. It features a black nickel finish that contributes to a refined appearance and enhanced durability. The bracket is engineered for precision and stability, offering reliable performance for professionals focused on accurate and efficient handrail installations across diverse commercial and trade settings.

Features

- Handrail bracket engineered with durable steel construction
- Black nickel finish provides attractive corrosion resistant appearance
- Flat top curved design compatible with various rail configurations
- Easy to fit with standard bracket installation methods
- Precision engineered for secure handrail support
- Suitable for load bearing performance in practical applications
- Precision fabrication delivers consistent quality and performance
- Reliable construction ensures time efficient installation and maintenance

Product Code: B01056

Dimensions

Product Length (mm)	89
Product Width (mm)	82
Product Height (mm)	65
Product Thickness (mm)	5.5
Diameter of Fixing Holes (mm)	5.3

Appearance

Product Colour	Black Nickel

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
