

Rope Ratchet 6mm Diameter Tie Down Rope 65kg

Product Code: B1010

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

Appearance

Product Colour	Black/Silver/Red
----------------	------------------

Construction

Product Material 1	Nylon Rope
Product Material 2	Polypropylene

Description

Rope Ratchet 6mm Diameter Tie Down Rope 65kg is a durable tie down solution constructed with nylon rope and polypropylene elements in a practical black, silver, and red scheme. It is designed to secure loads reliably, making it a valuable tool for trade professionals. Suitable for both outdoor and indoor applications, its ratchet mechanism ensures precise tension adjustment, providing a safe and efficient method to stabilise cargo during transport and storage.

Features

- Constructed with durable nylon rope for reliable load securing
- Incorporates polypropylene components to minimise wear and tear
- Rated for 65kg tie down load capacity
- Suitable for both outdoor and indoor tie down applications
- Black, silver and red blend aids easy visual identification
- Lightweight design simplifies handling and storage
- Engineered for robust performance in securing loads safely
- 6mm diameter ensures balanced tension distribution

Weights

Product Weight (grams)	530
Load Capacity kg	65.0
Lashing Capacity (kg)	68
Break Strength (kg)	200

Dimensions

Product Height (mm)	131
Product Width (mm)	42
Product Length (mm)	2400
Strap Width (mm)	6
