Carinya 189 x 39mm Black Floating Shelf Bracket

BRACKET DIMENSIONS

Description

Carinya 189 x 39mm Black Floating Shelf Bracket is a precision engineered bracket constructed from powder coated steel in a black finish. It is designed to securely support floating shelves in a range of commercial applications, offering reliable stability and accurate dimensions. The robust construction and streamlined design assist trade professionals in achieving seamless integration with existing systems, ensuring practical benefits and functional improvements in various technical settings.

Features

- Constructed from durable powder coated steel for longevity
- Simple design providing reliable shelf support
- Optimised for secure discreet support
- Dimensions suitable for varied floating shelf applications
- Precision engineered for consistent bracket alignment
- Minimalist design complements modern shelf aesthetics
- High-quality build supports diverse shelf loads
- Carinya bracket engineered for straightforward shelf installation

Product Code: B11236

Dimensions

Product Length (mm)	189
Product Width (mm)	39/85
Product Height (mm)	42
Product Thickness (mm)	2.2
Diameter of Fixing Holes (mm)	5.2

Weights

Load Capacity (kg)	50.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
