

Carinya 310 x 85mm Black Heavy Duty Floating Shelf Bracket

Description

Carinya 310 x 85mm Black Heavy Duty Floating Shelf Bracket is a precision-engineered steel bracket with a matte black finish, designed for mounting floating shelves reliably in commercial applications. Its design facilitates even load distribution and ensures stability, while its dimensions offer clear compatibility with standard shelf sizes. Trade professionals will appreciate its straightforward installation and durable construction, which contribute to efficient and long-lasting operational outcomes.

Features

- Robust steel design supports heavy floating shelf loads
- Matte black finish offers durable and attractive appearance
- Engineered for balanced weight distribution and secure fixing
- Designed for a clean modern aesthetic
- Simple installation process with clear mounting instructions
- Ideal for supporting standard shelf dimensions robustly
- Constructed from strong steel for extended durability
- Precision engineered bracket enhances functional space usage
