Carinya 75 x 50mm Galvanised Angle Bracket - 4 Pack

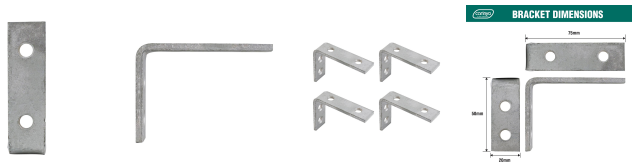

Description

Carinya 75 x 50mm Galvanised Angle Bracket - 4 Pack is a robust set of hot dipped galvanised steel brackets designed for secure structural support in construction and repair projects. Engineered with precise dimensions, these brackets offer dependable load distribution and durable connectivity. Trade professionals appreciate the practical design and technical reliability that enables accurate assembly and reinforcement in demanding projects.

Features

- High-tensile steel offers dependable structural support
- Hot dipped galvanisation improves corrosion resistance
- Precise 75 x 50mm design suits structural fixings
- Pack of four enables uniform installation of supports
- Precision engineering ensures uniform bracket alignment
- Versatile mounting options suit multiple construction requirements
- Robust design provides secure connection in varied assemblies
- Finished surface supports longevity and reduces maintenance

Product Code: B11472P

Dimensions

Product Length (mm)	75
Product Width (mm)	50
Product Height (mm)	20
Product Thickness (mm)	4.1
Diameter of Fixing Holes (mm)	7

Appearance

Product Colour	Hot Dipped Galvanised

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
