Carinya 240 x 75 x 50 x 3.5mm Zinc Plated Reinforcing Angle Bracket

Description

Carinya 240 x 75 x 50 x 3.5mm Zinc Plated Reinforcing Angle Bracket. Constructed from high-quality zinc plated steel, this angle bracket offers reliable reinforcement and structural support for a variety of applications. Its precise design facilitates straightforward installation and consistent performance for trade professionals. The robust build and meticulous finish contribute to easy alignment and stabilisation of frameworks, thereby enhancing overall project efficiency and effectiveness.

Features

- Robustly constructed from zinc plated steel with proven durability
- Engineered dimensions deliver reliable support and stability
- Zinc plated finish offers corrosion resistance extending bracket lifespan
- Precision manufacturing ensures accurate fit in reinforcements
- Reliable hardware design supports various structural applications
- Engineered for consistent performance during demanding use
- Simplified design aids efficient installation and maintenance
- Manufactured with dedicated quality checking measures

Product Code: B11474

Dimensions

Product Length (mm)	75
Product Width (mm)	50
Product Height (mm)	240
Product Thickness (mm)	3.5
Diameter of Fixing Holes (mm)	12.9

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Zinc Plated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
