Carinya 50 x 50 x 20 x 1.8mm White Reinforcing Angle Bracket - 8 Pack

Description

Carinya 50 x 50 x 20 x 1.8mm White Reinforcing Angle Bracket - 8 Pack is constructed from powder coated steel and features a white finish with precise dimensions. It is engineered to provide reliable reinforcement for structural and load-bearing applications. The product is designed to offer efficient support during installation and maintenance, delivering consistent performance for professionals in trade and related fields. Its robust build ensures dependable strength and accuracy in fit.

Features

- Precision engineered powder coated steel construction
- 50x50x20x1.8mm bracket size for exact fit
- White finish provides a clean, consistent appearance
- Reinforcing angle shape offers improved support and rigidity
- Pack includes eight brackets to enhance project efficiency
- Precision fabrication ensures reliable load sharing
- Engineered design supports accurate and straightforward installation
- Durable build withstands technical demands with robust construction

Product Code: B21607

Dimensions

Product Length (mm)	50
Product Width (mm)	50
Product Height (mm)	20
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
