Carinya 50 x 50 x 40 x 2mm Galvanised Reinforcing Angle Bracket - 8 Pack

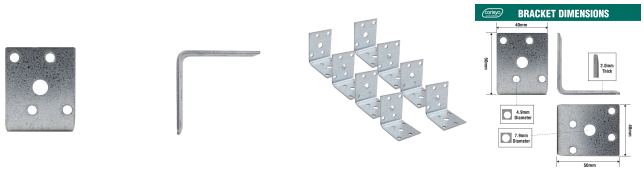

Description

Carinya 50 x 50 x 40 x 2mm Galvanised Reinforcing Angle Bracket - 8 Pack is constructed from galvanised steel with precise dimensions for reliable reinforcement in professional trade applications. It is designed to provide clear load distribution and improve structural stability in framework connections. Engineered for durability and ease of installation, this angle bracket offers a practical, no-nonsense solution that supports robust construction practices and effective assembly techniques.

Features

- Constructed from durable galvanised steel for long lasting performance
- 50 x 50 x 40 x 2mm size offers reinforcement
- Pack of eight provides quantity for multiple applications
- Galvanised finish resists corrosion and extends bracket lifespan
- Engineered for precision fit and efficient installation
- Designed with robust structure for enhanced load bearing capacity
- Meets tight manufacturing tolerances for reliable performance
- Manufactured by Carinya for trusted quality in construction

Product Code: B21611

Dimensions

Product Length (mm)	50
Product Width (mm)	50
Product Height (mm)	40
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	4.9/7.9

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
