Carinya 70 x 70 x 55 x 2.5mm Galvanised Reinforcing Bracket - 4 Pack

Description

Carinya 70 x 70 x 55 x 2.5mm Galvanised Reinforcing Bracket - 4 Pack is a precision-engineered assembly component constructed from galvanised steel and finished with a galvanised coating. It offers reliable structural support ideal for framing and construction applications in professional settings. The bracket is designed for clear stability and consistent performance, enhancing the integrity and durability of various projects while providing straightforward, effective reinforcement solutions for trade professionals.

Features

- Galvanised finish resists corrosion
- Reinforcing bracket design offers secure structural support
- Manufactured in durable galvanised steel construction
- Precision engineered dimensions suit consistent alignment
- 70x70x55x2.5mm size suits multiple applications
- Four-pack offers material and quantity efficiency
- Engineered for reliable load distribution in structural connections
- Simple design facilitates straightforward and secure installation

Product Code: B21613

Dimensions

Product Length (mm)	70
Product Width (mm)	70
Product Height (mm)	55
Product Thickness (mm)	2.5
Diameter of Fixing Holes (mm)	4.8/9.8

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
