Carinya 80 x 80 x 60 x 2.5mm Galvanised Reinforcing Bracket - 4 Pack

Description

Carinya 80 x 80 x 60 x 2.5mm Galvanised Reinforcing Bracket - 4 Pack is engineered for reliable structural reinforcement in practical applications. Manufactured from galvanised steel, it delivers consistent strength and durability for precise load distribution. This angle bracket supports secure connections and alignment, offering technical advantages for trade professionals in construction and repair projects. Its robust design facilitates straightforward installation and dependable performance in demanding usage scenarios.

Features

- Forged from galvanised steel for superior corrosion resistance
- Precision machined design ensures reliable angular support
- Robust bracket construction provides secure fixing
- Sleek galvanised finish extends component longevity
- Engineered with precise dimensions for accurate alignment
- Pack includes four brackets for versatile mounting
- Compact dimensions suit a range of project scales
- Engineered for precise load distribution in applications

Product Code: B21614

Dimensions

Product Length (mm)	80
Product Width (mm)	80
Product Height (mm)	60
Product Thickness (mm)	2.5
Diameter of Fixing Holes (mm)	4.5/9.9

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
