Carinya 50 x 50 x 195 x 1.8mm Galvanised Reinforcing Angle Bracket - 50 x 50 x 195 x 1.8mm

Description

Carinya 50 x 50 x 195 x 1.8mm Galvanised Reinforcing Angle Bracket - 50 x 50 x 195 x 1.8mm is manufactured from galvanised steel and designed for precise reinforcement and support in various assembly applications. It features consistent dimensions that enable accurate alignment and secure fixing in construction and maintenance tasks. The galvanised finish provides durability, ensuring reliable performance that benefits trade professionals in their technical and practical projects.

Features

- Constructed with galvanised steel for long lasting strength
- Precision engineered for reliable reinforcement in angle connections
- Standardised dimensions simplify integration into various projects
- Designed for secure fixing with robust load-bearing performance
- Reliable galvanised finish ensures resistance against corrosion
- Easily installed for integration in structural designs
- Robust bracket supports connections while maintaining structural integrity
- Engineered with precision for consistency in reinforced setups

Product Code: B21619

Dimensions

Product Length (mm)	50
Product Width (mm)	50
Product Height (mm)	195
Product Thickness (mm)	1.8
Diameter of Fixing Holes (mm)	10.9

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
