Carinya 125 x 100mm Satin Chrome Heavy Duty Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 125 x 100mm Satin Chrome Heavy Duty Angle Bracket is a steel angle bracket designed for precise alignment and structural reinforcement. It provides dependable support for framing and mounting applications, ensuring stable configurations with ease. The satin chrome finish enhances corrosion resistance while maintaining a clean, modern look. Trade professionals benefit from its robust construction and straightforward installation, which facilitates accurate and efficient assembly in varied technical projects.

Features

- Fabricated from high quality steel for robust structural support
- Finished in satin chrome for enhanced corrosion resistance
- Heavy duty design ensures reliable performance under load
- Precise 125 x 100mm dimensions for consistent installation
- Engineered for secure mounting and straightforward assembly
- Satin chrome coating provides a neat professional appearance
- Reliable fabrication delivers durable support in demanding settings
- Practical engineering meets performance needs in structural applications

Product Code: B77489

Dimensions

Product Length (mm)	125
Product Width (mm)	100
Product Height (mm)	25
Product Thickness (mm)	5.8
Diameter of Fixing Holes (mm)	7

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	Satin Chrome

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
