

SIT Stainless Steel Twist Knot Cup Brush 70mm x M10

Description

SIT Stainless Steel Twist Knot Cup Brush 70mm x M10 features a twist knot design with resilient stainless steel bristles that provide efficient cleaning performance. It is intended for professionals in trade and maintenance who require reliable, high-speed cleaning at up to 14000 RPM in both indoor and outdoor settings. The product's silver and green finish, combined with its precise engineering, delivers long-lasting durability and effective performance for various technical applications.

Features

- Stainless steel construction ensures longevity and corrosion resistance
- Twist knot wire design removes debris with controlled motion
- Operates at 14000 RPM for high-speed cleaning
- Suitable for indoor and outdoor cleaning applications
- Compact design enables precise cleaning of small surfaces
- Engineered build supports demanding cleaning tasks
- Silver and green finish provides clear visual distinction
- High-speed performance suited for rigorous cleaning routines

Product Code: BTU71.02SS
