

# Rope Ratchet 10mm Diameter Tie Down Rope 110kg

## Description

Rope Ratchet 10mm Diameter Tie Down Rope 110kg is designed to secure loads effectively in a variety of trade environments. Constructed from durable nylon rope and polypropylene, it offers a consistent tie-down function for reliable performance. Suitable for both indoor and outdoor applications, the rope ratchet provides a practical solution for professionals who require dependable and technically advantageous load management equipment.

## Features

- Constructed with durable nylon rope and polypropylene material
- Black silver blue colour combination for clear visibility
- Engineered for use indoors and outdoors
- Simple rope ratchet design for reliable tie-downs
- Rope ratchet mechanism provides strong hold under load
- Quick release feature for rapid adjustment during transport
- Engineered with corrosion resistant materials for long service life
- Robust tie down rope ensures secure load fixing

**Product Code: C1020**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

## Appearance

Product Colour	Black/Silver/Blue
----------------	-------------------

## Construction

Product Material 1	Nylon Rope
Product Material 2	Polypropylene

## Weights

Product Weight (grams)	240
Load Capacity kg	110.0
Lashing Capacity (kg)	114
Break Strength (kg)	340

## Dimensions

Product Height (mm)	177
Product Width (mm)	56
Product Length (mm)	2400
Strap Width (mm)	10
