

## Description

Rocket 125mm Cutting Discs Stainless Steel - 10 Piece provide a reliable cutting solution for stainless steel applications. Engineered with aluminium oxide, these discs offer high precision and efficiency when used with an angle grinder. Rated for up to 12,200 RPM, they deliver consistent performance in both indoor and outdoor settings. The black and silver design enhances operational clarity, making them a practical choice for trade professionals requiring dependable cutting tools.

## Features

- Engineered with durable aluminium oxide abrasive compound
- Suitable for precise cutting on angle grinders
- Delivers consistent performance indoors and outdoors
- High maximum speed up to 12,200 RPM
- Precision engineered for clean cutting lines
- Manufactured in a reliable black and silver finish
- Delivers efficient cutting on stainless steel surfaces
- Balanced for use with angle grinders

**Product Code: CDSS125122CAN**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	12,200
Suits Tool Type	Angle Grinder

## Appearance

Product Colour	Black/Silver
----------------	--------------

## Weights

Product Weight (grams)	31.7
Product Weight (kg)	0.0317

## Construction

Product Material 1	Aluminium Oxide
--------------------	-----------------
