COMPLETE SETUP GUIDE

Description

Easyroll 1500 x 300mm Steel Straight Conveyor Frame is built from powder coated steel in Industrial Grey and designed for precise conveyance operations in indoor settings. It incorporates a straight design with reliable hardware and supports specific roller and stand configurations for efficient linear transport. The frame utilises 20 rollers at a 75mm pitch or 10 rollers at a 150mm pitch, offering dependable performance and ease of integration for trade professionals managing managed production or packaging lines.

Features

- Built from powder coated steel for robust construction
- Straight frame design for simplified conveyance
- Industrial grey finish adds a professional aesthetic
- Hardware included for quick and straightforward assembly
- Compatible with CRA2S300X050 and CRA3P300X050 rollers
- Supports CSH0800X300A and CSH1050X300A stand models
- Roller count: 20 for 75mm pitch, 10 for 150mm pitch
- Engineered for precision and long-lasting operational performance

Product Code: CFA1500X300A
