COMPLETE SETUP GUIDE

Description

Easyroll 1500 x 600mm Steel Straight Conveyor Frame is constructed from powder coated steel in Industrial Grey, offering a durable solution for conveyor transport applications. It features a straight frame design with 20 rollers on a 75mm pitch and 10 rollers on a 150mm pitch, and is supplied with essential hardware. The frame is designed to work with compatible rollers and stands, providing a practical and reliable option for trade professionals.

Features

- Durable powder coated steel frame construction
- Industrial grey finish provides uniform appearance
- Complete hardware kit included for easy mounting
- Engineered for CRA2S600X050 and CRA3P600X050 roller compatibility
- Compatible with CSH0800X600A and CSH1050X600A stands
- Straight frame design ensures smooth load conveyance
- Available in 75mm pitch with twenty roller positions
- 150mm pitch option supports ten roller positions
