COMPLETE SETUP GUIDE

Description

Easyroll 3000 x 600mm Steel Straight Conveyor Frame is engineered using powder coated steel and includes all essential hardware for effective assembly in indoor settings. This straight conveyor model supports suitable rollers such as CRA2S600X050 and CRA3P600X050, as well as compatible stands CSH0800X600A and CSH1050X600A. It features a precise configuration with 20 rollers at a 75mm pitch and 10 rollers at a 150mm pitch, delivering dependable performance for trade professionals.

Features

- Powder coated steel frame ensures long lasting structural performance
- Industrial grey finish suits high visibility and easy maintenance
- Hardware and accessories included for immediate installation
- Available configurations to suit various roller and stand sizes
- Straight conveyor design facilitates smooth product transport
- Option of two roller pitch counts for flexible operations
- Robust construction delivers stability during continuous operation
- Easy installation and maintenance optimise daily workflow

Product Code: CFA3000X600A

Specifications
