

SIT Stainless Steel Crimped Conical Brush 120mm x M14

Description

SIT Stainless Steel Crimped Conical Brush 120mm x M14 is crafted from stainless steel with a crimped wire design and a silver/green finish. This brush delivers effective cleaning and surface preparation for diverse trade applications, offering a practical solution for tasks that require precise performance. Capable of reaching 12500 RPM, it supports consistent operation in both indoor and outdoor settings, making it a valuable tool for maintenance and repair processes.

Features

- Operates up to 12500 RPM for high-speed cleaning
- Stainless steel construction ensures durability and lasting performance
- Crimped wire design maintains consistent cleaning efficiency
- Conical shape reaches intricate surfaces for improved cleaning
- Engineered for precision cleaning with reduced operational stress
- Suitable for both indoor and outdoor applications
- Tailored for technical tasks and maintenance operations
- Simple design minimises maintenance and upkeep requirements

Product Code: CO120SS
