

Description

Easyroll 450mm Polly Conveyor Roller 50kg is a dependable polypropylene roller engineered for precise conveying applications and designed to support efficient operations. It is ideally matched with compatible stands such as CSH0800X450A and CSH1050X450A and frames including CFA1500X450A and CFA3000X450A, ensuring smooth integration into existing systems. The blue-coloured roller provides consistent movement and is suitable for controlled indoor processes, offering trade professionals a practical solution for material handling tasks.

Features

- Constructed from polypropylene for durable performance
- Blue finish for easy visual identification
- Designed for indoor use with smooth conveyor operation
- Compatible with CSH0800X450A and CSH1050X450A stands
- Fits CFA1500X450A and CFA3000X450A frame designs
- Engineered for straight frame system integration
- Precision moulded for accurate alignment and smooth roll
- Sized at 450mm with capacity of 50kg

Product Code: CRA3P450X050

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
Assembly Required	No
Suitable Stand	CSH0800X450A, CSH1050X450A
Suitable Frame	CFA1500X450A, CFA3000X450A
Suits Frame Type	Straight

Appearance

Product Colour	Blue
----------------	------

Construction

Product Material 1	Polypropylene
