

SIT Steel Condenser Tube Brush 10mm x 3/16"

Description

SIT Steel Condenser Tube Brush 10mm x 3/16" is engineered from robust steel and features a silver finish for clear visibility during operation. It is specifically designed for cleaning condenser tubes and maintaining efficiency in heat exchange systems. The brush offers consistent performance under various operating conditions, supporting routine maintenance tasks for trade professionals. Its precise steel wire construction ensures effective debris removal, contributing to the longevity and reliability of critical equipment.

Features

- Constructed with robust steel brush material
- Designed for efficient condenser tube cleaning
- Silver finish offers clear visual contrast
- 10mm x 3/16 configuration for consistent tube fits
- Engineered for outdoor and indoor cleaning tasks
- Sturdy steel wires ensure long-lasting performance
- Precise design fits condenser tubes with reliable stability
- Engineered for routine maintenance with enhanced cleaning efficiency

Product Code: CTBS10

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	80
Wire Style	Straight Wire Filament

Appearance
