

SIT Steel Condenser Tube Brush 11mm x 3/16"

Description

SIT Steel Condenser Tube Brush 11mm x 3/16" is a precision-engineered cleaning tool designed for maintenance of condenser tubes. Crafted from steel, it features a durable wire design that effectively removes deposits and buildup. Industrial and trade professionals can utilise this brush for routine servicing in HVAC and refrigeration systems, where thorough cleaning is essential. Its silver finish and suitability for both indoor and outdoor use ensure consistent performance in practical applications.

Features

- Durable steel bristles ensure reliable tube cleaning
- Compact 11mm design reaches narrow condenser tube spaces
- Steel wire construction supports precise cleaning application
- Suitable for indoor and outdoor maintenance tasks
- Robust build withstands demanding cleaning cycles
- Silver finish provides low friction contact with tube surfaces
- Lightweight design offers easy handling during maintenance
- Engineered for precise condenser tube cleaning performance

Product Code: CTBS11

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	80
Wire Style	Straight Wire Filament
