

SIT Steel Condenser Tube Brush 13mm x 5/16"

Description

SIT Steel Condenser Tube Brush 13mm x 5/16" is built with steel brush material and sports a silver finish for indoor and outdoor use. It is designed for efficient cleaning of condenser tubes and similar components, providing a practical solution for trade professionals. Its steel wire style offers consistent performance while ensuring durability and ease of maintenance across varied applications, making it a reliable tool for routine technical tasks.

Features

- SIT brand engineered for professional application
- Steel bristles remove deposits from condenser surfaces
- Suitable for both indoor and outdoor use
- Silver finish aids in product identification
- Robust steel construction withstands demanding cleaning tasks
- 13mm diameter brush fits standard condenser tube dimensions
- 5/16 inch bristle width ensures secure cleaning contact
- Steel wire design resists wear during rigorous cleaning operations

Product Code: CTBS13
