

Description

Easyroll 19mm Square M10 Expanding Adaptors are designed for casting systems using a square tube shape and expanding pintle fitting. Constructed from polypropylene, they offer reliable technical performance and a secure mounting solution for both indoor and outdoor applications. Their sturdy design supports practical castor integration, making them a valuable and effective accessory for trade professionals seeking consistent, efficient operation in their projects.

Features

- Constructed from robust polypropylene for dependable longevity
- Square tube design simplifies fitting installation on castor systems
- Expanding pintle fitting streamlines secure connections
- Suitable for both indoor and outdoor use
- Grey finish supports unobtrusive integration in various settings
- Engineered for precise adaptation to square tube dimensions
- Lightweight design reduces handling and transport time
- Easyroll quality ensures reliable performance and user confidence

Product Code: E10S19

Specifications

Fitting Type	Expanding Pintle
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Suitable For	Castor
Tube Shape	Square

Appearance

Product Colour Grey

Construction

Product Material 1 Polypropylene

Dimensions

Product Length (mm)	75
Mounting Size (G) mm	M10
Suits Tube ID (mm)	16
Suits Tube OD (mm)	19

Weights

Product Weight (grams)	12
