

Product Code: F14A75G50

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Fitting Type	Threaded Stem

Appearance

Product Colour	Black/Silver
----------------	--------------

Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Nylon
Bearing Material	Steel

Description

Easyroll 50mm F1 Series Castor 50kg is a castor featuring a durable nylon wheel core and housing with a steel plain bearing for reliable rotation. It utilises a threaded stem with a bolt for secure fitting, and its black/silver design is intended for outdoor applications. The unit provides trade professionals with a stable, precise movement solution, enhancing manoeuvrability and overall operational efficiency.

Features

- Nylon wheel core and housing withstand daily operational demands
- Nylon frame paired with steel plain bearings enhances durability
- Threaded stem fitting supports secure and stable mounting
- Plain bearing reduces friction and delivers smooth rotation
- Robust bolt connection ensures reliable attachment in varied applications
- Designed with outdoor use in mind for performance longevity
- Black and silver finish provides a distinct professional appearance
- Engineered for straightforward maintenance and lasting operation
