

Product Code: F14W75G50

Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Brake Type	Side
Fitting Type	Threaded Stem

Appearance

Product Colour	Black/Silver
----------------	--------------

Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Nylon
Bearing Material	Steel

Description

Easyroll 50mm F1 Series Castor 50kg consists of a castor constructed with nylon components and features a plain bearing with a steel core for reliable functionality. It is designed with a threaded stem fitting and a side brake to provide controlled mobility for trade professionals, supporting tasks that require steady movement and secure positioning. The black/silver finish suits settings requiring robust and practical handling solutions.

Features

- Durable nylon wheel and housing construction
- Steel plain bearing for smooth rotation
- Side mounted brake provides secure stopping performance
- Threaded stem fitting ensures firm castor attachment
- Black and silver design for clear visual identification
- Designed for outdoor use and reliable performance
- F1 Series castor engineered for consistent load support
- Easyroll brand guarantees trusted quality and design
