Description

Fischer Spare Parts Tray with Removable Dividers is produced using robust Cals Carb PP for reliable long-term use. It offers integrated removable dividers that allow professionals to arrange and secure spare parts in a tailored manner, enhancing operational efficiency. The grey finish provides a neat, professional appearance while simplifying part identification for trade experts. Its practical design supports organisation and clarity in busy workspaces.

Features

- Robust spare parts tray made from durable Cals Carb PP
- Indoor application enhances sheltered spare parts storage
- Removable dividers allow custom compartment organisation
- Simple design facilitates quick access to tools and components
- Low-maintenance design with quality Fischer construction
- Efficient layout supports organised arrangement of diverse parts
- Easy-to-clean surface maintains longevity and reliability
- Robust design supports practical usage with intuitive divider placement
