

Fischer 200x100x300mm Grey Spare Parts Tray With 2 Removable Dividers

Description

Fischer Spare Parts Tray with Removable Dividers is constructed from Cals Carb PP in a practical grey finish. It is designed for efficient organisation of spare parts with adjustable dividers that adapt to various components and sizes. The tray offers reliable performance for professionals engaged in technical and maintenance tasks, providing a robust solution for partitioning and storage in controlled indoor conditions. Its thoughtful design ensures optimal accessibility and workflow continuity.

Features

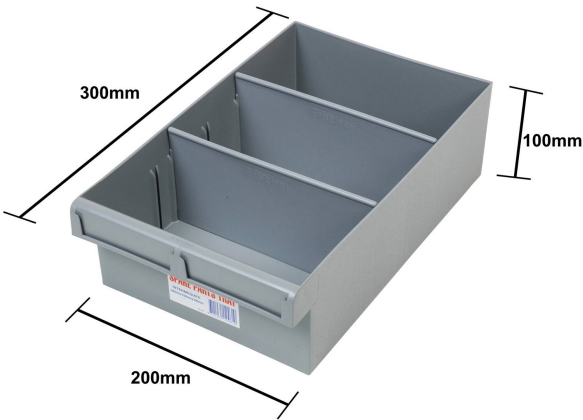

- Constructed from durable Cals Carb PP plastic
- Removable dividers for custom compartment organisation
- Precisely engineered tray for efficient spare parts management
- Simple assembly ensures immediate indoor application
- Neutral grey finish complements practical workspace environments
- Robust design delivers reliable performance under frequent use
- Lightweight construction eases handling and tray repositioning
- Removable dividers offer flexible storage arrangements for parts
