Fischer 100x100x400mm Spare Parts Tray With 2 Removeable Dividers Green (Special Order)

Product Code: F1H-017G

Description

Fischer 100x100x400mm Spare Parts Tray With 2 Removeable Dividers Green (Special Order) is a practical tool for organising and storing spare components in technical trades. Constructed from durable Cals Carb PP, the tray features two integrated dividers that create separate compartments for improved part management. This design supports efficient sorting and retrieval, contributing to productive working practices for professionals who require reliable solutions for component storage and access.

Features

- Constructed from durable Cals Carb PP for lasting use
- 100 x 100 x 400mm dimensions suit spare parts storage
- Green colour aids part identification and visibility
- Includes two removable dividers for flexible organisation
- Designed with clear structure for parts separation
- Fischer quality ensures reliable performance in parts management
- Stable design accommodates varied spare component configurations
- Special order model meets specific project requirements
