Fischer 200x100x400mm Spare Parts Tray With 2 Removeable Dividers Red (Special Order)

Product Code: F1H-025R

Description

Fischer 200x100x400mm Spare Parts Tray With 2 Removeable Dividers Red (Special Order) is a functional organisational tool designed to streamline part management and component separation. Constructed from Cals Carb PP, this spare parts tray features two removable dividers that facilitate flexible compartmentalisation. Its red finish allows for quick visual identification, and its sturdy build contributes to dependable performance. This product is ideally suited for trade professionals who require precise and efficient storage solutions during day-to-day operational tasks.

Features

- Constructed in durable Cals Carb PP material
- Designed specifically for spare parts organisation
- Features two removable dividers for flexible layout
- Red finish enhances part visual distinction
- Robust build endures frequent workshop use
- 200x100x400mm dimensions provide ample capacity
- FISCHER quality ensures reliable, enduring performance
- Precision engineered for efficient parts storage
