

# Fischer 200x100x400mm Spare Parts Tray With 2 Removeable Dividers Red (Special Order)

## Description

Fischer 200x100x400mm Spare Parts Tray With 2 Removeable Dividers Red (Special Order) is a functional organisational tool designed to streamline part management and component separation. Constructed from Cals Carb PP, this spare parts tray features two removable dividers that facilitate flexible compartmentalisation. Its red finish allows for quick visual identification, and its sturdy build contributes to dependable performance. This product is ideally suited for trade professionals who require precise and efficient storage solutions during day-to-day operational tasks.

## Features
