Description

Fischer Spare Parts Tray with Removable Dividers is designed for practical organisation and efficient management of spare parts. The durable construction of Cals Carb PP in grey provides clear compartmentalisation, while removable dividers allow custom configuration. It streamlines the process of sorting and retrieving components, optimising workflow and enhancing precision inventory management. This tray offers dependable performance and clear benefits to industrial and trade professionals seeking reliable parts storage solutions.

Features

- Constructed from durable Cals Carb PP material
- Customisable layout with removable dividers for organisation
- Professional grey finish presents a neat appearance
- Precision moulded design assures reliable spare parts storage
- Neat construction facilitates easy access and part sorting
- Ingeniously designed for varied spare parts sizes
- Streamlined design supports workflow in spare parts management
- Robust construction simplifies on site spare parts management tasks
