Description

Fischer 100x100x600mm Spare Parts Tray With 5 Removable Dividers (Special Order) is a blue spare parts tray constructed from Cals Carb PP. It is designed for indoor use and provides a reliable solution for organising small components. The configuration with five removable dividers supports efficient separation and accessibility, benefitting industrial and trade professionals by streamlining maintenance and inventory management tasks without unnecessary complexity.

Features

- Precise 100x100x600mm layout caters to efficient storage
- Fabricated from durable Cals Carb PP material
- Five removable dividers allow flexible component organisation
- Blue finish enhances visibility in storage management
- Robust design ensures secure spare parts placement
- Precisely engineered for reliable component segregation
- Roomy dimensions offer ample shelf capacity
- Special order design meets unique spare parts storage requirements
