Description

Fischer Spare Parts Tray with Removable Dividers is crafted from Cals Carb PP in a standard grey finish and offers removable dividers that allow for efficient organisation. Designed for indoor use, it provides clearly defined compartments to maintain a tidy working environment. This tray is engineered for careful application management and offers the practical advantage of straightforward component access for trade professionals.

Features

- Built with durable Cals Carb PP for long lasting performance
- Grey colour enhances visual clarity in component identification
- Removable dividers allow efficient organisation of spare parts
- Precision engineered for reliable alignment and functionality
- Intricate design supports quick retrieval and verification
- Robust structure provides practical storage and organisation benefits
- Compact, space-saving design suits constrained workspaces
- FISCHER quality brand built with attention to detail
