

Fischer Medium Clear 1 Compartment Storage Box

Description

Fischer Clear Compartment Boxes (1 Compartment) is built from robust co-polymer material ensuring durability and precise storage organisation for professionals handling vital components. The clear structure facilitates immediate identification of stored items, while the single compartment design allows for systematic placement of parts and tools. This product supports efficient workflow and reliable performance, making it a practical choice for trade experts seeking to streamline their operational storage requirements.

Features

- Transparent compartment for clear visual identification
- Robust co-polymer construction designed for durable indoor use
- Single compartment layout aids efficient component organisation
- Clear finish supports immediate visual content recognition
- Easy access design simplifies routine component retrieval
- Precisely engineered dimensions enhance onboard system integration
- Resilient construction withstands demanding indoor operational conditions
- Minimalist design contributes to organised and neat workspaces

Dimensions

Product Height (mm)	66
Product Width (mm)	136
Product Length (mm)	195

Weights

Product Weight (kg)	0.146
Product Weight (grams)	146

Product Code: F1H-032

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Clear
