

Fischer Small Clear 10 Compartment Storage Box

Description

Fischer Clear Compartment Boxes (10 Compartment) are durable co-polymer storage solutions featuring ten transparent compartments designed to facilitate organised storage and quick component identification. Suitable for indoor use, they provide practical benefits by aiding professionals in trade settings to maintain tidy workspaces and streamline inventory processes. The clear design and robust construction support precise sorting and reliable access to essential items.

Features

- Crafted from robust clear co-polymer
- Offers 10 secure compartments for organised storage
- Clear design aids quick visual inventory
- Customisable layout supports efficient component sorting
- Engineered for durability during frequent use
- Lightweight construction enables easy handling and installation
- Precision manufacturing provides exact component alignment
- Polished surface simplifies cleaning and maintenance
