

# Fischer Medium Clear 14 Compartment Storage Box

## Description

Fischer Clear Compartment Boxes (14 Compartment) are designed for efficient internal organisation using a robust co-polymer construction with a clear finish that permits immediate visual identification of stored items. They serve as practical storage solutions for trade and industrial professionals, enabling systematic arrangement of components and tools. Their precise design and durable material promote longevity and reliability in professional settings.

## Features

- Constructed from high-quality co-polymer for lasting performance
- Clear design allows for visual inventory management
- Fourteen practical compartments support organised storage solutions
- Engineered for secure and stable internal storage
- Simple yet robust design suitable for technical applications
- Clear panels offer easy visual access to contents
- Compact design maximises workspace without compromising storage capacity
- Precision engineering meets demanding organisational requirements

## Dimensions

|                     |     |
|---------------------|-----|
| Product Height (mm) | 48  |
| Product Width (mm)  | 157 |
| Product Length (mm) | 195 |

## Weights

|                        |       |
|------------------------|-------|
| Product Weight (kg)    | 0.186 |
| Product Weight (grams) | 186   |

Product Code: F1H-039

## Specifications

|             |     |
|-------------|-----|
| Outdoor Use | No  |
| Indoor Use  | Yes |

## Appearance

|                |       |
|----------------|-------|
| Product Colour | Clear |
|----------------|-------|

## Construction

|                    |            |
|--------------------|------------|
| Product Material 1 | Co-Polymer |
