Fischer Visi-Pak Clips (Special Order)

Description

Fischer Visi-Pak Clips (Special Order) are compartment boxes fabricated from GP Styrene in a beige finish. They support efficient organisation of small parts and tools through clearly defined storage areas, aiding trade professionals in maintaining structured workspaces. The robust construction and precise design optimise daily workflows and enable straightforward identification of contents, offering a practical solution for organising components in a variety of professional settings.

Features

- Durable GP Styrene construction ensures reliable performance
- Compact design facilitates efficient component organisation
- Beige finish provides a neutral visual profile
- Engineered design by Fischer supports rigorous daily tasks
- Robust construction secures storage of essential components
- Precision moulded compartments maintain effective tool separation
- Simplified installation streamlines setup of compartment boxes
- Fischer quality components deliver dependable performance each time

Product Code: F1H-043
