

Description

Fischer 12 & 20 Drawer Organiser Inserts (Special Order) are designed to provide clear solutions for organising drawer contents in controlled environments. Constructed from co-polymer, these organisers deliver consistent performance and reliable storage for tools and components. They maintain precise separation and help optimise workspaces for trade professionals. The design supports efficient operations and improved visibility, assisting users in managing essential equipment with accuracy and ease.

Features

- Clear construction for effortless visibility in drawers
- Co-polymer material ensures long-lasting wear and tear resistance
- Designed for reliable performance in drawer organisation
- Provides practical separation for tools and components
- Available as 12 or 20 drawer organiser inserts
- Precision engineered for secure fit in drawer spaces
- Easy cleaning and maintenance with streamlined design
- Enhances workspace organisation and access to tools
